

**\*If download this document, or had sent you by mail, it is for guidelines to "Downloading" exclusive content STAR TREK offered through the Prism DuroSport service.**

**Please note all requirement and make preference on other paper sheet where applicable. All download to appointment only!**

Important these details:

- ✓ You must have form postmarked by midnight, Sunday April 1, 2007.
- ✓ Hour(s) to download are between 01:00 - 02:00.
- ✓ For security reasons, modem is necessary. This is to ensure videos do not make it to internets. Also, no local access number. Modem speeds offer high-quality, lo-resolution transfer rates of 28.8kbs.
- ✓ Service will automatically disconnect at the end of your one (1) hour, or sixty (60) minutes.
- ✓ As part of Digital Rights Management (the DRM), each download to be hand labeled by a DuroSport member staff.
- ✓ To preserve historic documents, videos are "demastered," a new process engineered by DuroSport technician to deliver vintage programming as originally remembered it. In Moldova.
- ✓ Technical specifications (for man to read): 4:4 ratio, lo-def TV compliant, black and white optional. Features original Moldovan commercials (not-subtitle). UHF/VHF compatible. Meets current VHS/Betamax compliance standards.
- ✓ Portable video player adapter features 19" screen. Much large than the iPod Zune!
- ✓ Antenna sold separately. Portable 16 volt battrey for extra play time optional, plus also 100% imitation bear leather carry holder. See inside store for detail.
